

City of St. Louis ZOning UPgrade (ZOUP)

City of St. Louis Zoning Section + Planning and Urban Design Agency

ZOUP Public Open House & Workshop

Wednesday, December 3, 2025

4:00pm - 7:00pm CST

O'Fallon Park Rec Complex

4343 W. Florissant Ave, St. Louis, MO 63115

Register at www.zoup-stl.com/get-involved

The City of St. Louis invites residents, business owners, and community stakeholders to participate in the second public event for ZOUP: The City's Zoning Upgrade Project, on **Wednesday, December 3, 2025, from 4:00 – 7:00 PM at the O'Fallon Park Rec Complex.**

The event will be an open house and hands-on workshop where participants can review and provide feedback on the Code Diagnostic, a document highlighting the current conditions of the City's existing zoning code, and explore new draft zoning districts that align with and help activate the City's Strategic Land Use Plan (SLUP).

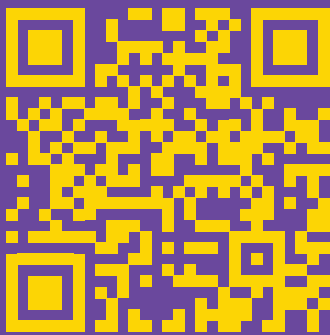

The Zoning Upgrade (ZOUP) is a critical tool for implementing the goals of the Strategic Land Use Plan of the City's Comprehensive Plan (SLUP), formally adopted in February 2025. Informed by robust community outreach conducted during the SLUP process and additional targeted engagement, it will update St. Louis's zoning districts, development standards, maps, and administrative procedures. This work will ensure that processes, regulations, and outcomes align with community goals, and bring the City up to date with contemporary best practices in zoning.
